

Module 1: Introduction to Azure DevOps

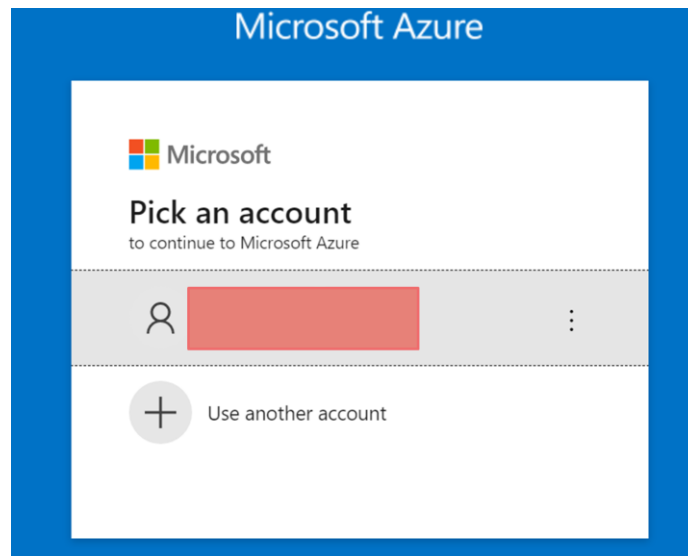

Demo - 1

Demo 1: Creating an Azure account

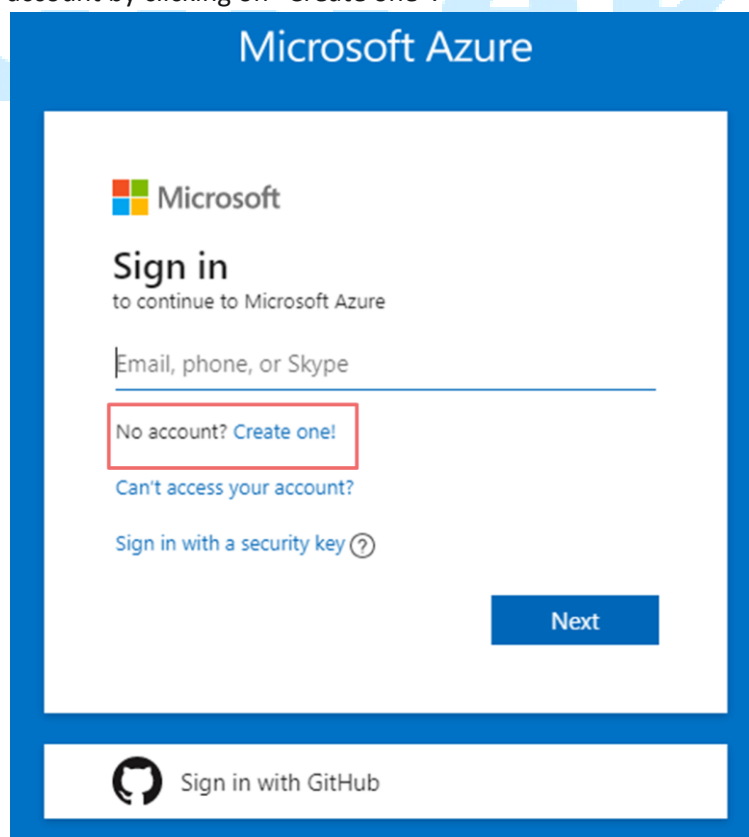

Solution:

Step 1: Open portal.azure.com

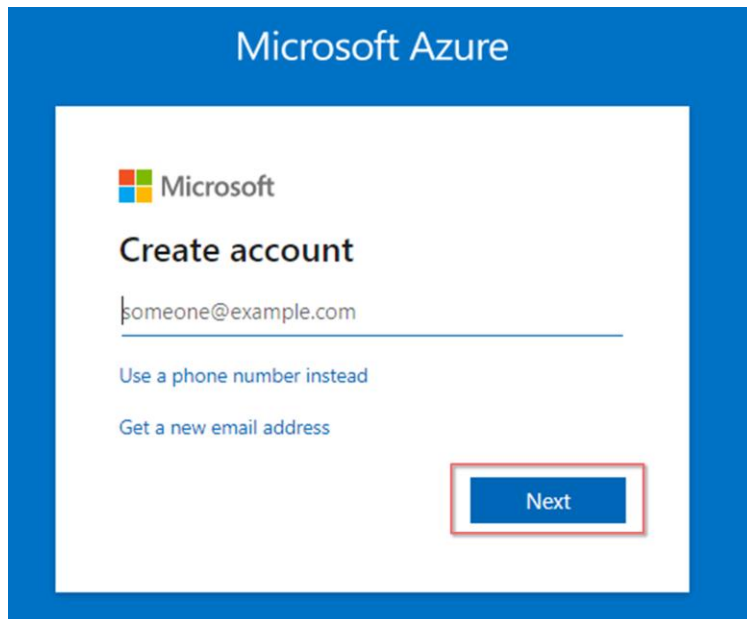

Step 2: Click on “Use another account”

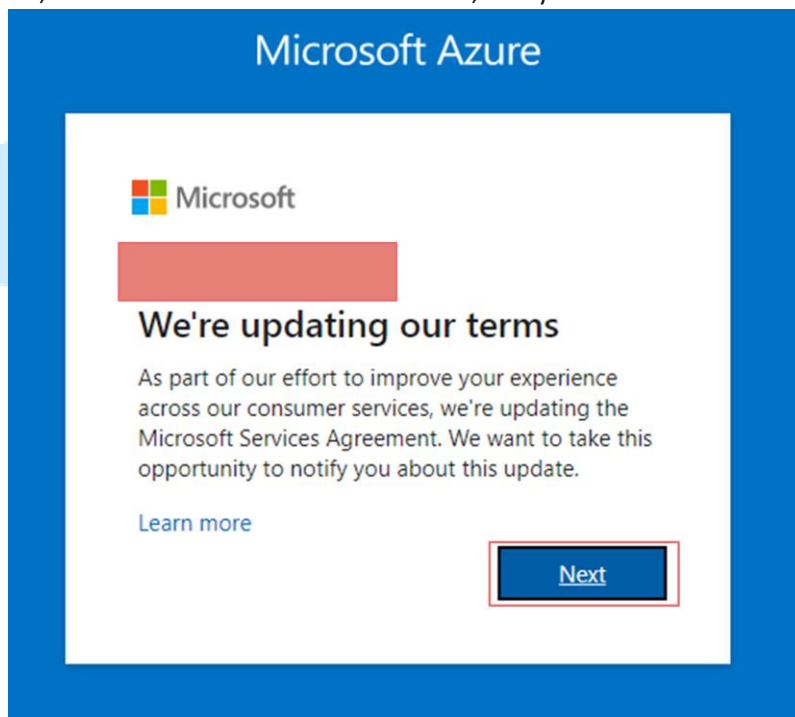

Step 3: Create a new account by clicking on “Create one”.

Step 4: Enter your email id and click on next.

Step 4: Complete the process to create an account, and you can log in to Azure using the account. Once the account is created, enter the email id and click on next, and you are into the Azure dashboard.

The dashboard looks as shown below:

Welcome to Azure!
